

1/2" 2 Wire LED Rope Light

Rope Light Specifications

This 1/2" diameter 120 volt super-bright LED Rope Light will last 100,000 hours... that's 11+ years of use. Because the rope light uses LED bulbs instead of traditional incandescent bulbs, it produces less heat and there is a 90% reduction in energy consumption. LED Rope Light is more costly initially; however, it pays for itself in the long run. **Each 150' spools includes 5 free 6'connector kits.** UL Recognized.

12v 1/2" 2 Wire LED Rope Light

12v LED Rope Light Specifications

Our 1/2" diameter 12V LED super-bright rope will last 100,000 hours. Our 12v LED Rope Light can be used for auto, boat, and landscape applications. The LED's used will consume 1/10th the energy of incandescent rope light allowing for a reduction in amperage, heat buildup and allows for longer run lengths.
