At Novelty Lights, Inc., we pride ourselves in being the Christmas light and rope light experts with a sales staff that has years of experience with all types of Christmas and outdoor lighting projects. We've got it all from the classic incandescent Christmas lights and the newer LED Christmas lights. We also have one of the biggest and best selections of incandescent and LED rope lights on the internet—coupled with the thorough know-how of professionals—to help you create stunning, trouble-free illuminations year after year. Be assured that no question is too small and no project too large in scale for our lighting experts. Trust Novelty Lights to help you shop our impressive inventory of holiday lighting, special event lights, and installation accessories to quickly and easily get the job done. We invite you to call or email us today and “*Lighten Up!*”

Novelty Lights, Inc., established in 1999 by brothers Tres and K.C. Coors, operates as a direct importer of rope light, a variety of holiday lights, and, as our name states, an assortment of popular novelty lights. As owners, we have years of experience working within the lighting field, even before starting Novelty Lights, Inc. We are able to provide our customers with knowledgeable salespeople, accurate information regarding products, and answers to your lighting questions. We strive for excellence in all we provide, including outstanding and friendly customer service. We import all our products. Therefore, we are able to pass savings on to our customers with competitive pricing. Our committed employees look forward to serving you and all your holiday and specialty lighting needs.

Terms and Conditions

SHIPPING

- All shipments are FOB Denver.
- Shipping charges will be calculated at the time you place an order.
- We ship via UPS. Your choices are Ground, 3 Day, 2 Day Air and Next Day Air.
- All orders placed before 1:00 p.m. MST will be shipped out the same day.
- All orders placed after 1:00 p.m. MST will be shipped out the next day.
- All orders placed after 1:00 p.m. MST on Friday will not ship until Monday.
- Please Note: UPS does not ship to P.O. Boxes.

PAYMENT

- Credit Card: Visa, MasterCard, or American Express
- Company Check
- Money Order
- COD Orders: Must be paid for with a Cashier's Check or a Money Order.
- Net 30: Upon credit approval, items must be paid for 30 days from the invoice date.

RETURN POLICY

We will gladly accept returns within 30 days after the merchandise is received if the product you ordered is defective or, if by chance, you receive an incorrect item. Send it back following the simple steps below and we will credit you for shipping costs. Once we receive the merchandise, we will promptly test it and either fix or replace the product.

The following steps must be taken in order to process any return for full credit:

- Call 1-800-209-6122 or e-mail us at customerservice@noveltylights.com for a return authorization number. We will not accept any returns without a return authorization number.
- Include the packing slip and the completed return form in the box.
- Write the return authorization number on the outside of the box being shipped.
- All return merchandise not in original packaging will be subject to a 20% restocking fee.
- If the product is not in excellent condition or its original packaging, you will be subject to a restocking fee. You are responsible for the shipping cost of all returns.

LED Rope Light & Custom Cut

Choose from a wide variety of energy-efficient LED rope lights.

LED ROPE LIGHT FEATURES:

- 1/2" 2-wire (13mm)
- 120 Volt
- Long Life 50,000 Hour
- .8 Watts/Foot
- Vertical LEDs
- 80 Lumens
- Energy Efficient
- Flexible
- Durable
- Fully Dimmable
- 36" Cut Marks (Warm White, Cool White, White, Blue, Green)
- 5' Cut Marks (Red, Amber)
- 240' Max Run
- Indoor/Outdoor Use
- Easy to Install

LED Rope Light is cutting edge technology that will save you money while creating long lasting, vibrant, and durable lighting solutions. LED Rope Light is made using Light Emitting Diodes making LED Rope Light consume less energy, produce less heat, and last longer. Our spools are made using vertical bulb technology which allows for light emitting out, not down the rope light. This advanced technology creates a greater viewing angle of illumination that is more eye-catching, vibrant, and colorful.

Incandescent Mini Rope Lights

MINI ROPE LIGHT FEATURES:

- 12 Volt Only
- 1" Bulb Spacing
- 3/8" Diameter
- 5.5 Watts/Foot
- 0.45 Amps/Foot
- Max Run 16' (7 Amps)
- Hard Wire Only
- UV Protected PVC
- Indoor/Outdoor Use

APPLICATIONS

- Boats
- RVs
- Trucks
- Parade Floats
- Landscape Projects

12 Volt Incandescent Mini Rope Lights (3/8", 2-Wire)

Custom cut lengths of 12 volt incandescent 3/8" (10mm) mini rope lights is the easiest way to install rope lighting for your car, boat, RV, or any low voltage application. Mini rope light is made with a flexible, durable, UV protected PVC with .46 watt bulbs spaced every 1". All custom kits are ordered by the foot and come with a 6' pigtail ready to be hardwired to your low voltage source (car battery or transformer).

PLEASE NOTE: Our 12 Volt Rope Lights only work with applications using 12 volt power sources such as a car battery or a transformer.

Colors and Product Codes:

C7 Incandescent Bulbs

Novelty Lights, Inc. has what you need to deck your halls and brighten your holidays!

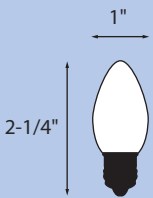

C7 TRANSPARENT AND CLEAR BULB FEATURES:

- 25 Pack/500 Case
- 5-Watt or 7-Watt
- 130 Volt
- Long Life 3000 Hour
- Indoor/Outdoor Use
- Candelabra Base (E12)
- Nickel-Coated Base

Shop our extensive inventory of classic C7 and C9 Christmas lights to create beautifully radiant illuminations at your home or place of business. We stock classic single-color and multicolor ceramic bulb sets as well as transparent bulb sets—and we sell them separate from the wire so you can customize your lighting project. Handpick your Christmas light bulbs from our expansive collection of single-color and multi-color sets of transparent or clear, ceramic, LED and twinkling incandescent bulbs and even consider mixing and matching to create a truly unique color combination.

DIMENSIONS

C7 Transparent and Clear Bulbs

Traditional, versatile, and very popular, our C7 Christmas light bulbs are a more radiant alternative to mini holiday lights. Use with our C7 stringers or bulk spool, available in green or white wire (sold separately).

Colors and Product Codes:

Assorted (5 each Red, Green, Yellow, Purple, Blue): C7-5-ASST

Clear 5-Watt: C7-5-CL
Clear 7-Watt: C7-7-CL

Red: C7-5-RE Green: C7-5-GR Amber: C7-5-AM Yellow: C7-5-YE Purple: C7-5-PU Pink: C7-5-PI Teal: C7-5-TE Blue: C7-5-BL

C7 CERAMIC BULB FEATURES:

- 25 Pack/500 Case
- 5-Watt/130 Volt
- Long Life 3000 Hour
- Indoor/Outdoor Use
- Candelabra Base (E12)
- Nickel-Coated Base

C7 Ceramic Replacement Bulbs

The traditional painted look reminiscent of Christmas light bulbs from the 60s and 70s. These ceramic replacement lamps look like they were dipped in latex paint. Use with our C7 stringers or bulk spool, available in green or white wire (sold separately).

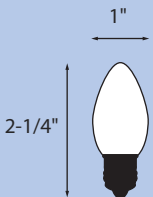

Assorted Box of Ceramic Bulbs

Colors and Product Codes:

Red: C7-5C-RE White: C7-5C-WH Blue: C7-5C-BL Green: C7-5C-GR Orange: C7-5C-OR Pink: C7-5C-PI Purple: C7-5C-PU Assorted (5 each Red, Blue, Green, Orange, and White): C7-5C-ASST

DIMENSIONS

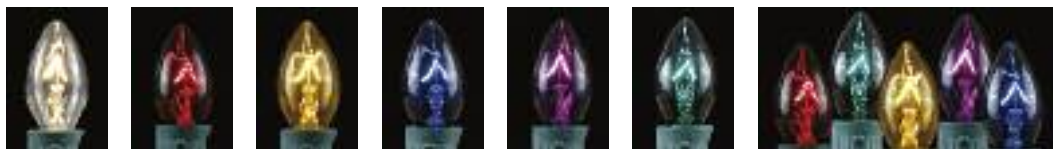

Visit our website at NoveltyLights.com for more details on any of our products.

C7 Twinkle and LED Bulbs

These random twinkle C7 replacement bulbs will create a shimmering glow in your holiday display this season. These twinkling C7 bulbs can be mixed with steady burning bulbs for fun lighting effects. Use with our C7 stringers or bulk spool, available in green or white wire (sold separately). Dimensions are the same as our other C7 bulbs.

Colors and Product Codes:

Clear: C7-7T-CL Red: C7-7T-RE Yellow: C7-7T-YE Blue: C7-7T-BL Purple: C7-7T-PU Green: C7-7T-GR Assorted (5 each Red, Green, Yellow, Purple, and Blue): C7-7T-ASST

C7 LED Replacement Bulbs

These bulbs are made of durable, multi-faceted plastic that won't fade, chip, or break and will also dazzle with richer, more sparkly hues. Each bulb uses 3 super-bright micro LEDs to create its brilliant color. Use with our C7 stringers or bulk spool, available in green or white wire (sold separately).

If you are using C7 LED bulbs for the first time, or if you are retrofitting your old C7 strings, then our C7 LED Christmas lights are the smart, green, and energy-efficient solution.

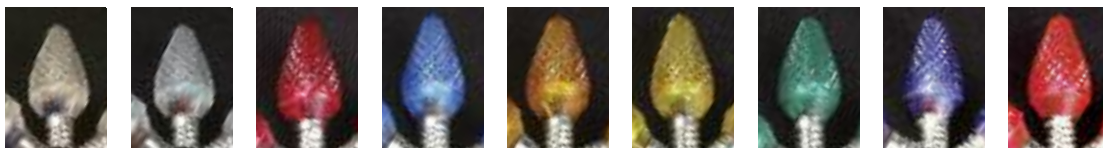

Assorted Box of LED Bulbs

Multi (5 each Red, Green, Yellow, Blue, and Amber): C7-LED-MU

Colors and Product Codes:

Warm White: C7-LED-WW White: C7-LED-CW Red: C7-LED-RE Blue: C7-LED-BL Amber: C7-LED-OR Yellow: C7-LED-YE Green: C7-LED-GR Purple: C7-LED-PU Pink: C7-LED-PI

C7 Christmas Stringers

At Novelty Lights, Inc. we offer plenty of variety to make your lighting purchase exactly suit the project you have in mind. Choose between green or white wire, 25' or 100' stringers, or order a custom-cut length (January through September). Bulbs are sold separately so that you can customize with classic ceramic, transparent, and twinkle C7 bulbs as well as retrofit LED bulbs, G30 globe bulbs, or any other bulb requiring an E12 candelabra base.

C7 25' String, 25 Sockets

Three strings can be connected end-to-end when using 5-watt bulbs.

25' Green Wire: C72512-GR

25' White Wire: C72512-WH

C7 100' String, 100 Sockets

Use this 100-foot wire stringer for lighter structures such as outdoor special event tents.

100' Green Wire: C710012-GR

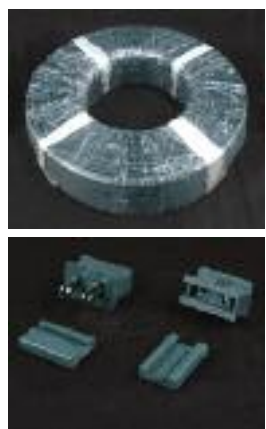

100' White Wire: C710012-WH

Don't forget mounting clips and other accessories—
all designed for quick and easy installation.

Please call us if you have any electrical questions. We can help you
calculate how many amps and watts you are using on your install.

Extension Wire for C7 and C9 Stringers

Ideal for making your own extension cords or jumper wire. Use our male/female plugs along with our extension wire to customize your C7 or C9 stringers (sold separately).

Offering the best wholesale pricing around because we stock thousands of reels.

C7 Bulk Reels

For large scale Christmas lighting applications, our C7 1000' bulk reels affords versatility because you can custom cut this C7 lightline to the length you need right at your installation site. Use our snap-on male/female plugs to supply power to your lighting application (sold separately). Because we sell our bulbs separately from our bulk reels, you can truly customize your lighting display by choosing any combination of colors from our incandescent or LED C7 bulb collection or from our inventory of round-shaped G30 bulbs. Uses commercial grade wire (choose between 7 amp/SPT1 or 10 amp/SPT2) and the best C7 socket around. Get our best wholesale discount when you buy 5 reels or more (plugs sold separately).

Our 10-amp wire has more insulation, allowing for higher amperage and longer runs.

C7 7-Amp Spools

C7 1000' Spool, 6" Spacing, 7 Amp Wire

A great option for lots of light in a smaller area or spectacular illuminations on a larger scale.

- 2000 Sockets
- 6" Socket Spacing
- SPT-1, 7-Amp (840 Watt) Green Wire
- Max Run = 168 Sockets (84 Feet) with 5-Watt Incandescent Bulbs
- Max Run = 336 Sockets (168 Feet) with 1-Watt LED Bulbs
- Supply Power with SPT-1 Male Plugs (Not Included)

C7 1000' Spool, 12" Spacing, 7 Amp Wire

This reel is the most popular length for most commercial and residential applications.

- 1000 Sockets
- 12" Socket Spacing
- SPT-1, 7-Amp (840 Watt) Wire
- Max Run = 168 Sockets with 5-Watt Incandescent Bulbs
- Max Run = 336 Sockets with 1-Watt LED Bulbs
- Supply Power with SPT-1 Male Plugs (Not Included)

C7 1000' Spool, 30" Spacing, 7 Amp Wire

Use this reel to light up large Christmas trees both indoors and outdoors because the bulbs will be distributed evenly throughout to create a stunning illumination.

- 400 Sockets
- 30" Socket Spacing
- SPT-1, 7-Amp (840 Watt) Wire
- Max Run = 168 Sockets (420 feet) with 5-Watt Incandescent Bulbs
- Max Run = 336 Sockets (840 feet) with 1-Watt LED Bulbs
- Supply Power with SPT-1 Male Plugs (Not Included)

C7 10-Amp Spools

C7 1000' Spool, 12" Spacing, 10 Amp Wire

Lighting professionals have been using these bulk reels to illuminate malls, bridges, beer gardens and more.

- 1000 Sockets
- 12" Spacing
- SPT-2, 10-Amp (1200 Watt) Wire
- Max Run = 240 Sockets with 5-Watt Incandescent Bulbs
- Max Run = 480 Sockets with 1-Watt LED Bulbs
- Supply Power with SPT-2 Male Plugs (Not Included)

C7 1000' Spool, 24" Spacing, 10 Amp Wire

With 2 feet between each C7 socket, you will accomplish better light distribution on trees and larger displays.

- 500 Sockets
- 24" Spacing Wire
- SPT-2, 10-Amp (1200 Watt) Wire
- Max Run = 240 Sockets (480 feet) with 5-Watt Incandescent Bulbs
- Max Run = 480 Sockets (960 feet) with 1-Watt LED Bulbs
- Supply Power with SPT-2 Male Plugs (Not Included)

C9 Incandescent Bulbs

The traditional look of Christmas lights from your childhood...

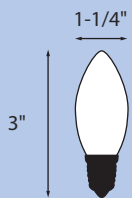

C9 TRANSPARENT AND CLEAR BULB FEATURES:

- 25 Pack/500 Case
- 7-Watt/130 Volt
- Long Life 3000 Hour
- Indoor/Outdoor Use
- Intermediate Base (E17)
- Nickel-Coated Base

Because C9 incandescent Christmas lights have been the standard in holiday lighting for years, you may even remember C9 ceramic bulbs from your childhood. We offer a great selection of C9 bulbs, including single-color and multicolor sets of the nostalgic ceramic, transparent, and twinkling varieties to lighten up your holiday celebrations this year. Bulbs are sold separately from the lightline so you can personalize your bulb type and color scheme.

DIMENSIONS

C9 Transparent and Clear Bulbs

Proven superior, these bulbs offer vivid color for your light display. If you already have C9 stringers, you can replace your C9 bulbs with new long life lamps. If not, we have a huge selection of stringers and commercial bulk C9 reels.

Assorted (5 each Pink, Red, Blue, Green, Yellow): C9-7-ASST

Colors and Product Codes:

Clear: C9-7-CL Red: C9-7-RE Green: C9-7-GR Blue: C9-7-BL Yellow: C9-7-YE Teal: C9-7-TE Amber: C9-7-AM Pink: C9-7-PI Purple: C9-7-PU

C9 CERAMIC BULB FEATURES:

- 25 Pack/500 Case
- 7-Watt/130 Volt
- Long Life 3000 Hour
- Indoor/Outdoor Use
- Intermediate Base (E17)
- Nickel-Coated Base

C9 Ceramic 7-Watt Replacement Bulbs

Our C9 ceramic Christmas light bulbs have the traditional colors that look like the bulbs have been dipped in latex paint. These ceramic C9 replacement lamps are perfect if you are looking for a classic and colorful display.

Assorted Box of Ceramic Bulbs

Colors and Product Codes:

Red: C9-7C-RE White: C9-7C-WH Blue: C9-7C-BL Green: C9-7C-GR Orange: C9-7C-OR Yellow: C9-7C-YE

Assorted (5 each White, Green, Red, Orange, and Blue): C9-7C-ASST

Visit our website at NoveltyLights.com for more details on any of our products.

C9 Twinkle and LED Bulbs

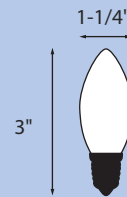

These random twinkle C9 replacement bulbs will create a shimmering glow in your holiday display this season. These twinkling C9 bulbs can be mixed with steady burning bulbs for fun lighting effects. Use with our C9 stringers or bulk spool, available in green or white wire (sold separately).

Colors and Product Codes:

Clear: C9-7T-CL Red: C9-7T-RE Green: C9-7T-GR Blue: C9-7T-BL Assorted (5 each Purple, Red, Blue, Green, and Amber): C9-7T-ASST

DIMENSIONS

C9 TWINKLE BULB FEATURES:

- 25 Pack/500 Case
- Randomly Twinkle
- 3000 Hour Lamps
- Commercial Grade
- 7-Watt/130 Volt
- Indoor/Outdoor Use
- Intermediate Base (E17)
- Nickel-Coated Base

C9 LED Replacement Bulbs

These beautiful, super bright, versatile bulbs are an environmentally friendly, extremely cost effective way to light up your home or business. Incandescent C9 bulbs can easily be swapped out of your old strands for these energy-saving retrofit LED C9 bulbs. Plus these sturdy, multi-faceted LED bulbs are much less fragile—they won't break, chip, or fade. Each bulb uses 3 super-bright micro LEDs to create its brilliant color. Use with our C9 stringers or bulk spool, available in green or white wire (sold separately).

Assorted Box of LED Bulbs

Multi (5 each of Red, Green, Yellow, Blue, and Amber): C9-LED-MU

C9 LED BULB FEATURES:

- 25 Pack/500 Case
- 0.65 Watts/120 Volt
- 0.0167 Amps
- 5-Season Warranty
- 50,000 Hour Bulb Life
- Indoor/Outdoor Use
- Intermediate Base (E17)
- Nickel-Coated Base
- Wholesale pricing for ordering 20 Packs of 25 Bulbs

Colors and Product Codes:

Warm White: C9-LED-WW Cool White: C9-LED-CW Red: C9-LED-RE Green: C9-LED-GR Blue: C9-LED-BL Amber: C9-LED-OR Purple: C9-LED-PU Yellow: C9-LED-YE Pink: C9-LED-PI

See our LED vs. Incandescent comparison chart on page 39.

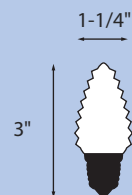

Operating Cost Formula

$$\frac{\text{Total Watts} \times \text{Hours of Use}}{1000} = \text{Kilowatt Hours} \times 0.125 \text{ (National Avg. per KW/h)} = \text{Operating Cost}$$

Use the following formula to calculate the total amount of Amps your application is pulling:

$$\frac{\text{Total Number of Bulbs} \times \text{Bulb Wattage}}{120 \text{ (Voltage)}} = \text{Total Amps}$$

DIMENSIONS

C9 Stringers, Extension Wire & Plugs

C9 STRINGER FEATURES:

- 12" Socket Spacing
- Intermediate Base (E17)
- Admiral Brand Socket
- Heavy Duty
- SPT-1, 18-Gauge Wire
- Indoor/Outdoor Use
- Fits C9 Incandescent, C9 Retrofit LED, and G50 Bulbs
- Bulbs Sold Separately

C9 25' FEATURES:

- 25 Feet Long
- 25 Sockets
- End-to-End Connection
- 5-Amp Fused Plug

C9 100' FEATURES:

- 100 Feet Long
- 100 Sockets
- No-Fused Plug

- 7 Amps/840 Watt
- Compatible with SPT-1 Male/Female Plugs
- Works with SPT-1 C7 and C9 Stringers and Bulk Reels

SPT-2 Extension Wire:

- 10 Amps/1200 Watt
- Compatible with SPT-2 Male/Female Plugs
- Works with SPT-2 C7 and C9 Stringers and Bulk Reels

Durable, long lasting, and easy to use!

C9 Christmas Stringers

These Christmas light strands can be connected end-to-end to illuminate your home, business, or landscaping. These stringers will fit our traditional ceramic, transparent, and twinkle C9 bulbs, our LED retrofit C9 bulbs, and our G50 globe bulbs as well as any other E17 intermediate base bulb. Bulbs are sold separately so you can choose a traditional single-color or multicolor scheme or perhaps configure a more unique combination of color than what you can buy at the store. If you think your project will require great lengths of lightline, look into our bulk 1000' reels that are more suitable for larger holiday lighting displays.

C9 25' String, 25 Sockets

Three strings can be connected end-to-end when using 5-watt bulbs.

25' Green Wire: C92512-GR

25' White Wire: C92512-WH

C9 100' String, 100 Sockets

Use this 100-foot wire stringer for lighter structures such as outdoor special event tents.

100' Green Wire: C910012-GR

100' White Wire: C910012-WH

**Don't forget mounting clips and other accessories—
all designed for quick and easy installation.**

**Please call us if you have any electrical questions. We can help you
calculate how many amps and watts you are using on your install.**

Extension Wire for C7 and C9 Stringers

Ideal for making your own extension cords or jumper wire. Use our male/female plugs along with our extension wire to customize your C7 or C9 stringers (sold separately).

We offer wholesale discounts when you purchase 5 or more reels.

C9 Bulk Reels

If you're planning a large-scale exterior holiday lighting display, then our heavy-duty C9 1000' reels are just what you need. Available in green or white wire, 4 different socket spacings from 6 to 30 inches, and in SPT-1 and SPT-2; these C9 spools are sold in bulk without bulbs so you can cut to the exact length you need for your particular application and also customize the bulb type and color scheme you desire. When you purchase your C9 wire and bulbs in bulk, be confident that you can get the job done right for a money-saving wholesale price. Custom cut this C9 lightline to the length you need and then use our snap-on male/female plugs to supply power to your lighting application (plugs sold separately).

Our 10-amp wire has more insulation, allowing for higher amperage and longer runs.

C9 7-Amp Spools

C9 1000' Spool, 6" Spacing, 7 Amp Wire

A great option for lots of light in a smaller area or spectacular illuminations on a larger scale.

- 2000 Sockets
- 6 Socket Spacing
- SPT-1, 7-Amp (840 Watt) Wire
- Max Run = 120 Sockets (60 Feet) with 7-Watt Incandescent Bulbs
- Max Run = 240 Sockets (120 Feet) with 1-Watt LED Bulbs
- Supply Power with SPT-1 Male Plugs (Not Included)

C9 1000' Spool, 12" Spacing, 7 Amp Wire

Our most popular length for most commercial and residential applications and it's ideal for outdoor displays.

- 1000 Sockets
- 12" Socket Spacing

- Max Run = 120 Sockets with 7-Watt Incandescent Bulbs
- Max Run = 240 Sockets with 1-Watt LED Bulbs
- Supply Power with SPT-1 Male Plugs (Not Included)

C9 1000' Spool, 30" Spacing, 7 Amp Wire

Ideal to light up large Christmas trees both indoors and outdoors because the bulbs will be distributed evenly throughout to create a stunning illumination.

- 400 Sockets
- 30" Socket Spacing
- SPT-1, 7-Amp (840 Watt) Wire
- Max Run = 120 Sockets (420 feet) with 7-Watt Incandescent Bulbs
- Max Run = 240 Sockets (840 feet) with 1-Watt LED Bulbs
- Supply Power with SPT-1 Male Plugs (Not Included)

C9 10-Amp Spools

C9 1000' Spool, 12" Spacing, 10 Amp Wire

Lighting professionals have been using these bulk reels to illuminate malls, bridges, beer gardens and more.

- 1000 Sockets
- 12" Socket Spacing
- SPT-2, 10-Amp (1200 Watt) Wire
- Max Run = 170 Sockets with 7-Watt Incandescent Bulbs
- Max Run = 340 Sockets with 1-Watt LED Bulbs
- Supply Power with SPT-2 Male Plugs (Not Included)

C9 1000' Spool, 24" Spacing, 10 Amp Wire

With 2 feet between each C9 socket, you will accomplish better light distribution on trees and larger displays.

- 500 Sockets
- 24" Socket Spacing
- SPT-2, 10-Amp (1200 Watt) Wire
- Max Run = 170 Sockets (240 feet) with 7-Watt Incandescent Bulbs
- Max Run = 340 Sockets (680 feet) with 1-Watt LED Bulbs
- Supply Power with SPT-2 Male Plugs (Not Included)

Wide Angle LED Mini Lights

Wide Angle 5MM LED Mini Lights

WIDE ANGLE LED 5MM MINI LIGHT FEATURES:

- Watts: 4.8 Watts Per String
- Full Wave Technology
- No Flickering
- Concave Design
- Wide Viewing Angle
- Energy Efficient
- Connect up to 43 Strings
- Durable
- No Rectifier Adapter Needed
- UL Listed
- Indoor/Outdoor Use

100 LED MINI LIGHTS:

- Length: 50' with 6" Spacing
- Length: 34' with 4" Spacing

50 LED MINI LIGHTS:

- Length: 25' with 6" Spacing

Our super bright 100 and 50 light Wide Angle Mini Lights are durable and extremely energy efficient. Each string also is full-wave rectified which eliminates any flickering while making these LEDs brighter than ordinary half-wave wide angle LED mini lights. Each LED uses a patented concave design making these LEDs viewable from all angles. UL listed for indoor and outdoor use. Connect up to 43 strings end-to-end.

• .17 Amps Per Set

Professional Grade Connect 10 Mini Lights—Available in Clear Bulb Only.

This clear commercial grade 100 mini lights set is manufactured using heavy duty 20-gauge green wire, which allows for much longer runs compared to standard grade mini lights, so go ahead and connect 10 sets together for a whopping 500' total linear feet. Features include 6" spacing and snap-lock sockets that prevent twisting or pulling of the lamps to deter vandalism and keep the bulbs securely in place. Each set comes with 2 replacement bulbs and 2 flasher bulbs.

APPLICATIONS

These very popular Pro-Grade mini lights are primarily used for decorating cities, municipalities, malls, churches, weddings, dance venues, and large residential displays.

35, 20, and 10 Commercial Grade Incandescent Mini Light Sets & Specialty Mini Light Sets

Our 35, 20 and 10 light sets are available in Clear bulbs only and in either Green or White wire. These sets can be purchased with either connectable or non-connectable plugs. Perfect for craft projects like illuminating glass blocks or wine bottles. Each mini light set is made of 22-gauge wire and has snap-lock sockets to keep the bulb and socket securely together. We also use our extended-life commercial grade 3,000 hour bulbs that are designed so if one bulb burns out, the rest will remain lit.

INCANDESCENT MINI LIGHTS FEATURES:

- Clear Bulb Only
- 24" Lead (24" X 4")
- Rest Stay Lit Bulbs
- Snap-Lock Socket
- 3000 Hour Bulb

Our LED net lights are practically effortless to install, making them a perfect choice.

Our LED Net Lights feature 100 Wide Angle M5 LEDs configured perfectly in a brilliant 4' x 6' net viewable from every angle. Net Lights are great for decorating hedges, bushes, and shrubs or wrapping tree trunks. Simple to use, these LED Net Lights will reduce your installation time and save you money because they are energy efficient, burn cooler, and last longer than the incandescent alternative. Connect up to 30 sets together with the end-to-end plugs.

We'll help you hang in there with our professional grade of incandescent Icicle Lights.

Pro-Line Commercial Grade Icicle Lights create perfect lines of winter bliss for any residence, commercial building or municipality. Each set of 15' long white wire has 30 medium drops ranging from 11" to 16" or long drops ranging from 17" to 26" with a total of 150 commercial grade icicle lights. Made using a "super" mini bulb, our commercial grade icicles are 30% brighter than the standard icicle light. We have designed our icicle lights so that each light is attached to the wire pointing down, which ensures a hassle-free, straight drop that looks spectacular. Available in Green or White wire.

It's not a party until the mirror ball is shining!

Mirror Balls create bedazzling lighting effects while adding movement and glamour to any size occasion. Highlight the effects by adding pin spots, colored gels and mirror ball turners to enhance the party experience. We sell a wide variety of sizes to accommodate any size room or venue. All of our mirror balls are built using genuine mirrored glass tiles-not plastic. Each mirror ball comes with a hook ring for attaching the mirror ball motor. Easy to use and install-create your ultimate party atmosphere in minutes.

Descriptions and Product Codes:

16" Mirror Ball: MB-16

Our largest mirror ball is perfect for large venues. This large mirror ball requires our Heavy Duty Mirror Ball Motor (MBM-3) and at least 2 Pinspots for maximum lighting effects.

12" Mirror Ball: MB-12

Our 12" mirror ball works well for disco themed parties and medium sized rooms. This mirror ball is our top selling size due to its versatility. Works with either Battery Operated (MBM-2) or Heavy Duty Motor (MBM-3).

8" Mirror Ball: MB-8

The 8" mirror ball is ideal for dorm rooms, homes or areas where space is limited. This mirror ball packs a power punch for its size.

Mirror Ball Party Kits

Our Mirror Ball Party Kits include everything you need to create spectacular lighting effects for any occasion. Kit Includes:
 (1) Mirror Ball, (1) Pin Spot
 (1) Battery Operated Motor and (4) Color Gels.

12" Mirror Ball Kit:
MBK-12

8" Mirror Ball Kit:
MBK-8

Mirror Ball Accessories

Pinspot Par 36: PS-4
UL Listed Par 36 Pin Spot with 30 Watt Bulb.

LED Pin Spot: PS-LED
Extremely compact, offering high-power bright LED beam using a 3 Watt LED.

Heavy Duty Mirror Ball Motor: MBM-3
This plug-in will spin any size mirror ball. Easy to install and built to last.

Battery Operated Mirror Ball Motor: MBM-2
Uses (1) D cell battery (Not Included). Will operate 8" and 12" Mirror Ball with ease.

Mini Christmas Lights

Mini-lights are the perennial favorite with great colors. Strings are commercial grade offering years of service. 3000 hour bulb life with snap lock feature. Various bulb spacing available, green or white wire.

LED Christmas Light

incredibly long life and energy efficiency! Our LED products have brilliant color and wide variety of design options. Lower your electric bill and expand your display. Our LED Christmas lights are available in more than 10 different colors.

Rope Light

Multifunctional and flexible, rope light is a year-round favorite. Whether it's LED or incandescent rope lights, we stock a wide variety of colors and all accessories, making your projects shine. We can custom make rope light to your specification or you can buy in rolls and get wholesale rope lights ready for installation.

Starlight Spheres

Imagine a whole string of mini-lights concentrated in one glorious ball of light. This charming decoration has a variety of uses and great style.

LED C7 and C9 Bulbs

Large bulb C7 and C9 style and beauty are married to LED technology to give that big bright look at very energy efficient cost.

C7 and C9 Bulbs

Ceramic and transparent in the classic incandescent bulb sizes we all love. Upgrade to LED retrofit bulbs for your old strings—same sizes. Tremendous colors with 3,000 hours life expectancy. Wholesale and bulk pricing available.

C7 and C9 Stringers

Decorate Christmas like a pro with our spools of C7 and C9 stringers, available on 1,000 foot reels. We also have premade 25' and 100' stringer lengths at unbeatable wholesale prices. Get the classic look of C7 and C9 bulbs with the precision of custom stringers.

Christmas Light Clips

Novelty Lights offers a wide variety of helpful accessories to present a professional look. We've been selling them to the pros for years—you can get the same terrific items for home holiday decorating. We have more than 10 styles of Christmas light clips, stakes and tabs.

LED Rope Light

The latest rope light improvement is LED technology, making it brighter, last longer, and yet so inexpensive to light that it pays for itself over its long life span. 90% less energy consumption than incandescent rope light with the same flexibility and multifunctional capability of our time-tested rope light.

12 Volt Rope Light

Great light with low amperage and no heat in two distinct choices. Get the traditional incandescent light rope or upgrade to a 1/2" diameter 12 volt LED rope light that affords the tremendous life span and low energy usage you're looking for in low voltage lighting.

Chasing Rope Light

Our eye-catching classic rope light adds movement and flashing style to your project. Three-wire conductors in the 1/2" diameter give the rope lights a chasing effect, with multiple settings possible on our controllers. Get a custom kit cut to 3-foot increments or buy the whole 150-foot reel.

Bulk Wire & Zip Cords

We have all your needs covered for powering up your lighting project. We offer bulk wire and zip cords for your Christmas light display. We also stock male and female vampire plugs, controllers, faders and outdoor timers.
